Intl' Association of Students in Economic & Commercial Science

Past Highlights

Managed client accounts at one of Japan's top megabanks, **SMBC**. I supervised over \$7B USD of loans, deposits, and Forex.

Worked with over 10 Japanese companies to expand their business in the US via market research while at **JETRO**.

Lead a team at one of Tokyo's largest retail chains, **Uniqlo**; set a new daily sales record for our location: ¥20M, nearly \$170K.
